

## **Business Update Release**

### ***Z-Tech (India) Limited Unveils SAAT AJOOBE PARK in Moradabad, Uttar Pradesh, Inaugurated by Hon'ble Cabinet Minister Mr. Anil Kumar***

Z-Tech (India) Limited, a pioneering sustainable infrastructure and environmental solutions provider, proudly announces the grand opening of the **Waste to Wonder Park (SAAT AJOOBE PARK) in Moradabad**. The park was inaugurated by **Hon'ble Cabinet Minister Anil Kumar**, Ministry of Science & Technology, Innovation and Research, Government of Uttar Pradesh. The inauguration of this park signifies Z-Tech (India) Limited's strategic expansion into Tier-II cities, reinforcing its commitment to sustainable development across growing regions.

This landmark attraction transforms waste materials into stunning sculptures and immersive experiences inspired by world-famous monuments. The park showcases iconic Indian landmarks such as the Gateway of India and Nalanda etc. on a grand scale, along with miniature versions of the Seven Wonders of the World like the Statue of Liberty and the Eiffel Tower etc.

The park is designed to showcase some of the world's most impressive architectural wonders in a way that attracts both local visitors and tourists. It creates a unique open-air destination where people can enjoy fresh air, entertainment, and learning all in one place, while offering a picture-perfect experience of iconic monuments of India and the world.

Beyond entertainment, the park aims to promote education and tourism by giving visitors—especially residents of Moradabad and nearby regions—an opportunity to learn about global heritage while understanding the importance of sustainability and recycling.

The initiative, titled SAAT AJOOBE PARK, reflects the Moradabad Development Authority's vision to enhance urban public spaces and create meaningful outdoor experiences for the city. Through its innovative use of sustainable artwork, the park adds a distinctive cultural and recreational landmark to Moradabad's growing urban landscape.

With this pioneering project, Z-Tech (India) Limited continues to set new benchmarks in combining innovation, sustainability, and experiential design. This marks our 8th park in operation, further reinforcing our leadership in creating impactful and future-ready public spaces.

#### **Management Comment:**

Commenting on this development, **Ms. Isha Chaudhary, Sr. Vice President – Business Development & Operations, Z Tech (India) Limited** said:

*“We are thrilled to introduce this innovative theme park to **Moradabad, Uttar Pradesh**. Our vision was to create an attraction that blends entertainment with environmental consciousness. Through the From Waste to Art initiative, we aim to inspire future generations while contributing to sustainable urban development. This park is not just a tourist destination but a symbol of our commitment to creativity and eco-friendly progress.”*

*The theme park promises an enriching experience for tourists, families, and educational institutions, making it a premier destination for entertainment and awareness. With this pioneering project, Z-Tech India Limited continues to lead the way in blending innovation, sustainability, and cultural engagement.”*

**Company Overview**

Z-tech (India) limited is incorporated in 1994 with their core focus on civil construction business, providing services related to designing, supplying and building retaining structures. In addition to this, today we are actively engaged in the Sustainable Theme Park Development, where our focus involves creating theme parks through the utilization of recycled scrap materials. Simultaneously, we are dedicated to implementing innovative waste water management solutions for industrial units, employing the cutting-edge GEIST technology. This dual commitment underscores our holistic approach to sustainable practices, transforming discarded materials into recreational spaces while efficiently managing industrial wastewater through state-of-the-art technology.
