Subject: Intimation under Regulation 30 of SEBI (LODR) Regulations, 2015

Dear Sir/Madam,

In continuation to our earlier intimation dated **March 3, 2025**, and pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we hereby inform that **Z-Tech (India) Limited** has successfully inaugurated its **fifth thematic park**, which includes the **world's first park constructed entirely from ceramic waste**, named "**Anokhi Duniya (Unique World)**", located at **Kurja, Bulandshahr Distt, Uttar Pradesh**.

The Government of Uttar Pradesh has been actively promoting the '**One District One Product (ODOP)**' initiative with the objective of encouraging local manufacturing, preserving traditional craftsmanship, and fostering specialized industrial and tourism-based ecosystems. In line with this vision, the development of "**Anokhi Duniya**" highlights the unique ceramic heritage of Kurja and reinforces the region's identity as a leading ceramic production hub.

In a pioneering step towards sustainability and circular economy practices, the said park has been developed using **ceramic waste**, including broken tiles, defective pottery, incomplete ceramic articles, production remnants, and ceramic powder, which have been artistically repurposed into visually appealing installations, sculptures, and structural features.

The establishment of **Anokhi Duniya** stands as a testament to sustainable innovation, combining environmental responsibility with artistic excellence. The park is anticipated to attract visitors and tourists from across the country and internationally, thereby contributing to increased visibility and goodwill for the Company.

This project marks a significant milestone for the Company and is expected to contribute positively to our growth and brand presence in the eco-innovation segment.

We request you to kindly take the above information on record.

Yours faithfully,
For Z-Tech (India) Limited
