Sub: **GST Rate Reduction – A Boost for Our Brands**

Dear Sir / Madam,

The next generation of GST reforms announced by the government is truly a gift for every Indian this Diwali. Taxes for the public have been reduced substantially across essential products in various sectors, and we are delighted to inform you that this development will also positively impact our portfolio.

Following of our key brands will have revised GST rate of 5%:

1. Complian
2. Glucon-D
3. Nutralite
4. Nycil
5. RiteBite – Max Protein
6. SugarFree including D'lite

Additionally, some of our other brands, such as I'm Lite and Ready-to-drink Glucon-D Activors, will continue to remain under the 5% GST regime.

We believe these changes will enhance affordability for consumers, stimulate demand, and further strengthen our market positioning. We will continue to keep you updated on the impact of these reforms on our performance and outlook in the coming period.

Please bring the aforesaid news to the notice of the members of the exchange and the investors' at large.

Thanking you,
Yours faithfully,
For, **ZYDUS WELLNESS LIMITED**
