Dear Tarun,

Subject: Resignation

As discussed over the last week, I have decided to move to the next phase of my professional journey and call it time at Zydus Wellness.

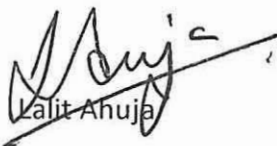

Its been a ride of a lifetime, Tarun. Having been part of the massive transformation of the organization over the past decade and hopefully played a small part in it, I will be going out with a sense of satisfaction for what we achieved, humility for what I learnt and belongingness to the organization for life! This decision is to pursue better career opportunities.

None of this would have been possible without your stewardship and forthrightness. Thank You so much for making me the leader I am! I'd also like to take the opportunity to mention that the faith and trust placed by Dr. Sharvil Patel in me ensured I gave everything the extra bit always.

Please accept my resignation formally. Kindly consider this as initiation of the due notice period. Ensuring a smooth transition will be top priority, while holding fort on business objectives. If there is a possibility of an exception to the 90 days period by a couple of weeks, that will help me transition well. My request would be to consider 3rd July, 2026 as the last working date.

Thanks Again for everything, Tarun.

Regards,

Lalit Ahuja
