Accel Frontline Services Limited merges with Accel Frontline Limited.

Chennai ,September 24, 2012

Accel Frontline Limited (www.accefrontline.in) has announced that the Honourable High Court of Madras has approved the merger of Accel Frontline Services Limited with the Company. The merger is effective from 01/04/2011.

Accel Frontline Services Limited www.accelwms.in is a leading provider of warranty management services in India. It operates through 36 direct centres and 264 authorized service centres and provide warranty fulfilment services to leading international brands such as Sony, Seagate, Lexmark, brother, transcend ,foxconn among many others.

Accel Frontline Services Limited had an unaudited turnover of 68.10 Cr with an EBITDA of 7.7 Cr for year ended March 2012.

Speaking on this merger, N.R.Panicker, CEO, Accel Frontline said, "As a strategic initiative to convert Accel Frontline Ltd as a integrated IT Services Company, we have embarked on consolidating the group entities and expand our value added services businesses.. The merger will bring synergies with our existing IT Infrastructure Management Services business in India and will in turn increase our profit margins in the coming years. Accel Frontline Limited had acquired Ushus Technologies, an embedded software company in August 2011,as part of our initiatives to strengthen our software services business. I am happy to state that the merger of this division is completed, and the result of this amalgamation will be reflected in the performance of the company this year."

About Accel Frontline Limited.
