Subject: Expansion- new manufacturing facility

Dear Sir,

This is to inform you that Board has decided to set up a 'PET PREFORM' manufacturing facility at Raninangar Industrial, Growth Complex, Rani Nagar, Jalpaiguri, West Bengal. The proposed facility will be set up on about 4 acres of land and will have capacity of about 10000 to 11000 tons. This initiative is to cater the enhanced demand of Coca Cola, our strategic customer for last 20-25 years. Coca Cola, Jalpaiguri is coming up with 720 BPM line for which their enhanced capacity will be about 5000-6000 tons. Further, we will be catering to the demands of Coca Cola's other facilities at eastern India viz Khurda, Guwahati, etc. Overall, the projected demand will be about 10000 tones in next 2-3 years. The proposed facility will be set up in the same industrial area of Coca Cola. Upon execution of land lease agreement with WBIIDC, the construction work is expected to start in July'15 and the commercial production will be started by Dec'15/Jan'16.

This is for your information and records.

Thanking You,

For AMD Industries Limited
