Dear Sir / Madam,

In furtherance of our endeavour to enable retailers with the latest financial and insurance products, we have executed agreement with Easy policy today. Easy policy is an insurance web aggregators licensed as such by IRDA.

This agreement will enable insurance market place at UVApoint. Now our retailers can show an interested customer different offers from several insurance providers and customer can choose the best one as per his choice which in turn would enable our retailers and the company to generate additional income from insurance services. Effective training of retailers and customer care services will back this activity.

We would be activating Car & Bike insurance in first phase and going forward would add health , travel and other insurance products.

This is for your information and request you to kindly take the same on records.

Thanking you,

Yours faithfully,
**For MPS Infotecnics Ltd.**
