Press Release

Atmastco Defence Systems Pvt. Ltd. (a WOS of ATMASTCO LIMITED) Secures BIS 17051 2018 Certification for Bullet Proof Jackets of protection against threat Level 6

Date May 11, 2026

Atmastco Defence Systems is pleased to announce that it has been granted a Bureau of Indian Standards (BIS) 17051 2018 certification for its Level 6 Bulletproof Jackets.

This certification marks a significant milestone in the Company's growth trajectory, reinforcing its commitment to delivering high-quality, standards-compliant defence equipment to the Indian market and beyond.

The BIS certification validates that Atmastco Defence Systems' Level 6 bulletproof jackets meet the stringent quality and safety standards prescribed under Indian regulations. This achievement strengthens the Company's position in the defence manufacturing ecosystem and enhances its credibility with institutional buyers, government agencies, and international partners. Following the receipt of this certification, the Company shall commence commercial production.

Management Commentary

Commenting on the development, the management stated:

“Receiving BIS certification for Level 6 bulletproof jackets is a major achievement for Atmastco Defence Systems. It reflects our technical capabilities, adherence to rigorous quality standards, and commitment to excellence in defence manufacturing. We are now focused on expanding our product offerings and market presence.”

About Atmastco Defence Systems

Atmastco Defence Systems is focused on the design, development, and manufacturing of advanced defence and protective solutions. The Company continues to invest in quality, compliance, and innovation to meet the evolving demands of the defence sector
