27.08.2015

Dear Sirs,

Sub.: General Update

We wish to inform that the Company has formally inaugurated on August 27, 2015, its new manufacturing facility at Bidadi, Bengaluru in the State of Karnataka at a built up area of approximately 38,000 square meters with an investment of around INR 3,400 million. The inauguration took place in the presence of Shri Siddaramaiah, Hon'ble Chief Minister of Karnataka, and other dignitaries who graced the occasion.

The construction of the Bidadi plant spans over two phases, with the second phase scheduled to be completed by 2018. This new state-of-the-art manufacturing facility will produce Diesel products that were previously manufactured at the Adugodi plant, and would have over 2,600 associates working at the facility. The new plant in Bidadi will produce common rail pumps & rails in the first phase & conventional fuel injection pumps production will start in the second phase.

Kindly bring this to the notice of the members of the Stock Exchange.

Thanking you,

Yours faithfully,
for Bosch Limited,

(R. Vijay)
