Sub: Kabra Extrusiontechnik Ltd., (KET) entered into 50:50 joint venture with Penta SRL, Italy (a Piovan Group Company)

Dear Sir/ Madam,

This is to inform you that **Kabra Extrusiontechnik Ltd.**, has entered into a 50:50 joint venture with **Penta SRL Italy** who are engaged in manufacturing and distribution of auto feeding systems.

Penta, a Piovan Group Company, has 7 production facilities, 24 subsidiaries and 70 distributors across the world. Penta's products and solutions are targeted to PVC dry blend manufacturers and compounders within the extrusion sector. Their product range include silos, storage units, debagging units, conveying systems, filters, sieves, pneumatic and mechanical extruder feeding, plant supervision systems. They also supply automatic turbo-mixer feeding system for PVC resin, titanium dioxide, calcium carbonate, fillers, stabilizers, additives, modifiers, liquid plasticizers and pigments, as well as feeding systems for extrusion plants, including supervision system of the production process. <http://penta.piovan.com>

The JV Company is proposed to be named as "**Penta Systems India Ltd.**" This is the **First JV** made by Penta, as Piovan Group has been operating through subsidiaries across the world.

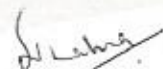

The JV Company will set up its plant for manufacturing and trading (including the supply of after-sale services) of auto feeding systems for the Plastic Industry and Food Processing Industry.

With this New Joint Venture, KET is confident to further strengthen its presence in Plastic Industry and a new opportunity to tap food processing industry.

Kindly take the same on record and oblige.

Thanking you,

Yours truly,
For **Kabra Extrusiontechnik Limited**
