Calsoft Enterprise Solutions announces key leadership changes

NSE Symbol: CALSOFT Series- EQ

BSE Scrip Code: 532386 Scrip Name: CALISOF

Chennai, India – (June 09, 2010) Calsoft is pleased to announce that its business unit Calsoft Enterprise Solutions will henceforth be known as Inatech – a Calsoft Company.

Calsoft has appointed Chris Baker as the CEO of Inatech. He will be heading Inatech globally and will be responsible for driving Inatech's ongoing growth in EU, USA, ME and, India. He will work closely with the region and country teams to expand Inatech's footprint in these geographies. He will also be working closely with the strategic team to expand Inatech's service offerings.

The offshore delivery team in India is headed by Rammohan Menon and the onsite delivery team in EU by Keith Rock. The sales team is led by Venkat L in ME, Steve Duff in the USA and Keith Rock in EU.

All these changes are effective from June 1st 2010.

Commenting on these changes Sam Santhosh; Managing Director and CEO of the Calsoft Group said "I am confident that the new executive team will leverage their considerable experience to drive Inatech to the next level of growth."

About Calsoft: California Software Company Limited (Calsoft) is a product engineering & enterprise solutions company with a strong background in development and implementation. Headquartered in Chennai, Calsoft has a presence in 12 global locations.
