Press Release

Centum Electronics received Industry Excellence Award from IEI

Bangalore 20th December, 2014:

Centum Electronics Limited (Centum) received "Industry Excellence Award - 2014" from the Institution of Engineers, India (IEI).
(www.ieindia.org/RecentActivity.aspx?Event_Id=1195)

The prestigious award was presented by Shri. E S L Narshimhan, Hon'ble Governor of Andhra Pradesh and Telangana to seven renowned organisations of the country at 29th Indian Engineering Congress held in Hyderabad on 19th Dec 2014.

The IEI Industry Excellence Award has been instituted to recognize industry leaders for their innovation, excellence in engineering operations and thereby, to lead their industry in competitive manner. The benchmarks created by the industries in India have included productivity, quality, safety and performance assurance thereby giving India the rightful place in the global markets. Realizing that such industries can provide the leadership to a large number of other industries in the country, it has been considered appropriate by the IEI Council to launch the IEI Industry Excellence Awards in the year 2008.

About Institution of Engineers, India (IEI)

Established in 1920, **The Institution of Engineers (India) (IEI)** is the largest multi-disciplinary engineering professional society in India.
