Dear Sir,

Re: Audited Financial Results for the year ended 31.03.2012

We invite your kind attention to a copy of the above results sent to you today. In the notes to the accounts, Note No.1 deals with statement of assets and liabilities as on 31.03.2012. The figures given against each item are in crores whereas inadvertently, the words 'Rs. in lacs' has been mentioned at the top, which should be read as 'Rs. in crore'. In item (d) under the heading 'current liabilities, one language correction has been made. Further, under item 18(a) under the heading 'promoter and promoter group shareholding', percentage of shares is mentioned as '0.02' for the year ended 31.03.2011 which should be read as '0.35'. We have corrected this during publication of the press release in newspapers and request you also to take a note of the same.

A revised page 2 of the results after the correction as above is enclosed for taking on record.

Thanking you,

Yours faithfully,  
For Century Textiles and Industries Ltd.

  
Secretary
