C. MITHUN CHAND
WHOLE TIME DIRECTOR

Encl: As above

M. Bhaskara Rao & Co (MBRC), a firm of Chartered Accountants based in Hyderabad, was set up in 1961 by Mr. M Bhaskara Rao. Presently, MBRC is a partnership of 11 partners and employs over 150 people in various capacities and competencies to deliver services consistent with the vision and mission statement of MBRC. MBRC operates in four states through five offices – its head office located in Hyderabad and branches in Kakinada, Vishakhapatnam (AP), Chennai and Bangalore. In the course of its professional practice for over five decades, MBRC had the opportunity to serve some of the largest Public Sector Enterprises, Nationalized Banks, Regulatory Authorities and large and medium scale private sector enterprises.

MBRC offers a wide range of professional services, with a strong accent on Audit and Assurance, Taxation and Business Advisory services.

The **Audit and Assurance** practice provides audit and assurance services within the applicable regulatory framework with an objective approach. The emphasis of the firm in this area of its practice is to ensure the completeness, reliability and quality of financial statements it attests. While ensuring adherence to the broad policy and regulatory framework, due attention is paid to the nature and size of the clients' business operations, the control environment in which the operations are carried out, and their risk profile, in designing efficient and effective audit plans specific to the audits.

The **Tax** practice is focused on identifying opportunities and leveraging the same for the benefit of its clients in optimizing tax outgos, while at the same time ensuring a well-considered and prudently interpreted compliance with the tax laws. It provides services in the areas of direct and indirect taxation; corporate and personal taxes and international taxation.

The **Business Advisory** practice is focused on working with clients in improving their operational effectiveness. It helps clients in assessing their core processes, evaluate current risks and controls, and bringing about greater efficiencies therein. The consulting practice also provides services in critical areas such as due diligence reviews, implementation of new accounting standards; convergence with IFRS / Ind AS; post implementation system reviews; and business valuations.

MBRC is managed by a Board of Partners (BoP) comprising four of its senior most partners. The BoP lays down the policies and procedures for quality in rendering professional service, monitors the service delivery and reviews client relationships from time to time. The firm's policies, performance and other professional matters are periodically reviewed by all the partners at their review meetings.
