**Kind Attention: Mr. Kamlesh Patel**

Dear Sir,

**Ref: Your letter bearing no NSE/LIST/75540 dated June 07, 2016**

Further to our letter dated June 03, 2016 and your captioned letter, we once again wish to reiterate as follows:

1. The Company was in default on payments to banks which has been disclosed in last two quarterly results.
2. Banks have filed recovery proceedings before debt recovery tribunal and the same is being challenged by the Company.
3. The Banks have taken symbolic possession of Company's mortgaged assets.
4. Company is also in communication with the banks for CDR proposals.

Inadvertently the willful defaulter word was missed out from the disclosure filed with the results.

Please note that it was an unintentional typo error, as the CIBIL report obtained by the Company did not mention the same.

Also Please be informed that there was a fire at Company's Wind Turbine at Sangli due to fluid coupling short circuit in Nacelle. Surveyors are in the process of estimating the amount of loss.

Should there be any new development the same shall be updated pursuant to regulation 30 of SEBI (LODR) Regulations, 2015.

This is for your information and record.
