COMPANY STATEMENT

This is further to our intimation dated 31st March, 2017 regarding ban on sale of BS-III Vehicles by Hon'ble Supreme Court with effect from 1st April, 2017.

The Company and its dealers have an inventory of approximately 1800 BS-III vehicles. Company will make efforts to export some of these vehicles and convert others to BS-IV, which will involve some expenditure. The modalities and costs for converting BS-III vehicles to BS-IV are being worked out. The Company once again confirms that it is making best efforts to minimise the impact on Company's operations.
