Dear Sir/ Madam,

Re: News Clarification- Article appearing in www.economictimes.indiatimes.com
dated September 25, 2018 titled "Workers at India Yamaha Motor,
Eicher Motors and others on strike"

This is in reference to NSE's email received on September 26, 2018 on the subject.

It is submitted that Eicher Motors Limited has always been deeply committed to maintaining respectful relationship with all employees and workmen. We believe that an engaged work force and cordial industrial relations create a culture of excellence where all workmen are proud of their contributions to the organisation.

At Royal Enfield's manufacturing facilities around Chennai, while a majority of workmen are fully engaged in performing their roles, some of them did not report for work in the last couple of days, though they were present in the facility.

We are hopeful of arriving at a mutually beneficial solution soon without any significant loss in production. Nevertheless, this disclosure is now being made applying the principles of materiality set out in Regulation 30 read with Para B of Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We will keep the stock exchanges updated of developments in this regard.

Thanking you,
For Eicher Motors Limited

General Counsel & Company Secretary
