Having read and understood the provisions of the SEBI Prohibition of Insider Trading Regulations 2015(PIT), I hereby declare that I propose to sell upto 6000 equity shares of ICICI Bank Limited allotted to me after exercise of my ESOS on 28/05/2015 and for which I have already applied and obtained pre-clearance (where applicable). I confirm that the subject shares are not purchased from the market.

I declare that I am not in possession of any unpublished price sensitive information (UPSI) which would prohibit me from selling the above equity shares. In case I become privy to any UPSI after filing this form, I confirm I will refrain from trading in equity shares/securities of ICICI Bank Limited whilst in the possession of UPSI.

I confirm that the sale of shares would not tantamount to a contra trade which is prohibited under PIT. I confirm there was no market 'buy' in the last 180 days of equity shares of the Bank.

I understand that based on the above representations made by me and relying upon them, the Compliance Officer of the Bank is taking this declaration on record thereby enabling me to proceed further with the trade of my ESOS shares.

I understand that the sale of my ESOS shares is my personal decision and that the Bank and its officials cannot be held liable on account of my personal decision. Any monetary or other liability/penalty or other consequences including but not limited to regulatory action which may result pursuant to the sale of my ESOS shares will be solely addressed by me without recourse to the Bank or its officials.

I have not contravened the PIT Regulations and have made a full and true disclosure in the matter.
