Dear Sir,

Sub: Successful commissioning of COGEN plant at Roha

We are happy to inform you that the Company has successfully commissioned the COGEN plant of 8.24 megawatt capacity at its Roha site. It will make the Company self-reliant towards power & steam generation, for future expansion of production lines . The Company will be able to generate its own electricity and meet the requirement of the entire site. The electricity generation cost will be reduced to 50% of the present power cost and that will make the Company more competitive.

Some of the highlights of this COGEN project are:

- Biggest COGEN plant in Konkan industrial belt
- Erection of equipment having total weight in excess of 2500 Metric Tonnes
- Laying of piping of more than 5 Kilometers in length
- Laying of electrical / instrument cables of more than 40 Kilometers in length
- 350 Metric Tonnes of steel & 850 Metric Tonnes of cement used for construction
- Erection of RCC chimney of 73 Meters height
- In spite of heavy rain , speed of work not hampered
- Ensured that there was not a single case of safety deviation
- About 350 contract workers were on the job for 11 months
- All equipments are high energy efficient with latest technology

Mr.R.B.Rathi, Dy. Managing Director congratulates all the team members who have worked day & night, with seamless coordination demonstrating the Company's value of Commitment & Passion. This was possible only due to the extraordinary leadership of Mr. Vivek Garg, General Manager – Engg. and the relentless efforts of the entire Engineering team.
