Subject: Dynacons wins Contract for Managed Services for Municipal Corporation of Greater Mumbai"

Dear Sir,

We are glad to inform you that we have been awarded, one of the most prestigious, I.T. Infrastructure Management services contract of Rs. 73.01. crores (Rupees Seventy three crores one lac) from Municipal Corporation of Greater Mumbai for a period of 3 years.

MCGM has pioneered several e-Governance initiatives to provide timely & quality services to Citizens. To function efficiently MCGM relies on its suite of IT Applications which are meant to streamline Revenue Collection & offer Citizen Services which are hosted in their Data Center at Worli.

They were looking for Service Provider for managing their Data Centre, IT Facility, Network & communications along with Bandwidth across all MCGM 500+ offices. Dynacons along with its consortium partner M/S. US Technology International Pvt. Ltd. (Lead Bidder) won this contract.

Scope of the Services: Managed Services to Datacenter including...

- Data Centre Management and Monitoring
- Application Monitoring & Management Applications like SAP, Aqua, CVS, Octroi, Citizens' portal, and other applications
- Monitor & manage Network availability at various offices spread across the Mumbai city.
- Implement redundant MPLS Network across all the offices including migration of existing network.
- Managing support to various platforms like AIX, RHEL, Windows, VMware, etc.
- IT Security, Data backup & storage. Database Administration & Management.
- High Availability of Datacenter for 24 Hours, 7 days a week and 365 days.
- Provision of Services to ensure compliance to standard quality systems like ISO 20000-1, 27001
- Centralized Help Desk for all IT related communication, reports, etc.

DYNACONS
SOLUTIONS THAT EMPOWER

Dynacons' Enterprise Services offerings include a wide spectrum of Enterprise IT and Office Automation Services including Infrastructure Manag ed Services, Breakfix Services, Managed Print Services, Cloud Computing, Systems Integration Services, and Applications Development and Maintenance. Dynacons undertakes all activities related to IT infrastructure including infrastructure design and consulting services, turnkey systems integration of large network and data centre infrastructures including supply of associated equipment and software; on-site and remote facilities management of multi- location infrastructure of domestic clients. Our key differentiators include an end-to-end services and solutions driven model with a strong focus on quality in every aspect of service and product delivery. Dynacons has an established nationwide support network to provide multi location multi-platform support for organisations.
