The equity shares of the Company are listed on the National Stock Exchange of India Limited ("NSE") and are frequently traded in accordance with the SEBI ICDR Regulations. For the purposes of computation of price per Equity Share, NSE is the stock exchange that has higher trading volume for the said period and, accordingly, has been considered.

Further, method of determination of price as per the Articles of Association of the Company is not applicable as the Articles of Association of the Company are silent on the determination of a floor price/ minimum price of the shares issued on preferential basis.

In view of the above, the Board of the Company decided to issue these securities to be allotted on preferential basis to the Proposed Allottees at ₹ 221/- (Rupees Two Hundred and Twenty-One only) being not less than the floor price computed in accordance with Chapter V of the SEBI ICDR Regulations.
