In this regard, we wish to submit that the Company has in the recent past been evaluating its capitalization structures in the context of the directive to maintain minimum stipulated public shareholding levels. The said requirements stand completed under intimation to the exchanges.

In addition, and in the usual course of business, the company remains focused on re-evaluating and managing its debt requiring for it to evaluate options, including but not limited too, issuance of Equity and Equity linked instruments and strategic investments with respect to some of the foreign assets and businesses held by the Company and its subsidiaries. We confirm that the Company is in receipt of an unsolicited offer showing interest in our stake in Fortis Hoan My Corporation, Vietnam, held through our subsidiary(ies). The said proposal is under active consideration of the Management. We shall revert to you upon finalisation of the offer and approval thereof.

We have updated the exchanges on all material developments in respect of above and shall continue to update you, in case of any such development in the future as well.
