Dear Sirs,

Sub: GMR Hyderabad International Airport: Approval of Hybrid Till with 30% cross-subsidization

This is to inform that the Ministry of Civil Aviation (MoCA) vide its order dated June 11, 2015 has directed Airport Economic Regulatory Authority (AERA) under section 42(2) of AERA Act, 2008 to adopt a Hybrid Till with 30% cross subsidization for the tariff determination of GMR Hyderabad International Airport Limited (GHIAL), a subsidiary of GMR Infrastrcture Limited. The RGI Airport Shamshabad (Hyderabad) has been built and operated by GHIAL.

AERA had passed an order on February 24, 2014 (Order Number 38/2013-14) determining the tariff of GHIAL considering a Single Till methodology of tariff determination. Single Till being not in line with the concession agreement, GHIAL had appealed against this order of AERA by filing a writ petition (No. 6487/2014) in the Hon'ble High Court of Andhra Pradesh. After various hearings, the Hon'ble Court had directed MoCA to pass an order on the appropriate Till methodology to be used for tariff determination of GHIAL.

Thanking you,
Yours faithfully,

For GMR Infrastructure Limited
