Dear Sir/Madam,

Sub: Intimation regarding temporary shutdown for preventive maintenance and technological upgradation:

Pursuant to Regulation 30 read with Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform that the Induction Furnace, Continuous Casting Machine (CCM), and Rolling Mill at our Unit I, Mahabubnagar Plant, Telangana, will undergo a scheduled temporary shutdown starting from July 20, 2025 to July 30, 2025.

This planned shutdown is being undertaken for preventive maintenance and upgradation of existing machinery to enhance operational efficiency, reduce downtime, and deliver improved product quality. The initiative is part of the Company's continuous efforts to modernize its facilities and strengthen long-term performance.

Please note that this scheduled maintenance activity will not have any material impact on the overall operations.

You are requested to take the above information on record.

Thanking You,

Yours faithfully,
For Hariom Pipe Industries Limited
