We have read with utter dismay the media reports and the allegations made therein. We are shocked at our name being mentioned in them. We categorically deny having known or heard of, let alone interacted with the individual named in these news reports.

Any suggestion that we may have indulged in any wrongdoing is completely baseless and untrue. We state that these allegations, apart from being baseless and untrue, are defamatory and an attempt to malign the reputation of HDFC Bank.

We have always adhered to the highest standards of integrity and propriety in our business conduct, and will continue to do so in the future.
