## Infotech signs an MoU with UPES Dehradun

Hyderabad, India, June 11<sup>th</sup>, 2012 – **Infotech Enterprises Limited**, a leading Global Engineering Services company, signed an MoU with **UPES – University of Petroleum & Energy Studies, Dehradun**. The MoU was signed by Mr. B. Ashok Reddy, President – Global HR and Corporate Affairs, Infotech Enterprises Limited and the Vice Chancellor, Dr. Parag Diwan, UPES Dehradun in a ceremony held at the Manikonda facility of Infotech at Hyderabad today. The signed MoUs were exchanged in the presence of Mr B.V.R. Mohan Reddy, Chairman and Managing Director, Infotech Enterprises Ltd.

UPES Dehradun offers under graduate and post graduate courses in specialized branches of Engineering such as Aerospace Engineering, Applied Petroleum Engineering, Pipeline Engineering, Infrastructure Engineering, Geo Informatics, Geo Sciences etc. These are some of the specializations in which Infotech will collaborate with UPES Dehradun.

Through this MoU the students of UPES Dehradun would gain industrial exposure, internships, industrial visits and they can get engaged in live projects at Infotech. The faculty of UPES Dehradun will also get Industry orientation through practical training by Infotech. Infotech will nominate its experts as visiting faculty and organize special technical lectures at UPES campus. In addition, Infotech would extend its support in designing the curriculum for Under Graduate and Post Graduate programs in order to enable the institute align with industry requirements. UPES will design Certificate programs and impart training for the engineers of Infotech. The academic experts from UPES will deliver guest lectures at Infotech. The MoU also provides for joint participation between Infotech and UPES on development projects.

**Mr. B.V.R Mohan Reddy, Chairman and Managing Director, Infotech Enterprises Limited** said, *"This is one more small step towards our organizational objective of improving skills of graduating students with collaboration with Universities and Engineering colleges. We will continue our endeavor by supporting the students with internships, projects and placement. We will support the institution in providing state of art course curriculum and also adjunct faculty. The MOU envisages a win-win to UPES and Infotech"*

Commenting on the occasion, **Mr. B. Ashok Reddy, President – Global HR and Corporate Affairs, Infotech Enterprises Limited** said, *"This MoU reinforces our commitment to share our engineering domain expertise*

*for Infotech Enterprises Limited*

*with the Institute to nurture quality talent. Besides, it lays emphasis on undertaking joint R&D and consultancy projects with UPES Dehradun. We would encourage our senior technical executives to spare their time in imparting knowledge on the latest developments in Technology through various faculty programs”.*

The Vice Chancellor, Dr Parag Diwan, UPES Dehradun said, “We are proud to be associated with Infotech, a global Engineering services company with proven leadership in Engineering. This MOU would go a long way in enhancing the quality of education at UPES and providing Industry orientation to the students and the faculty.”

Infotech’s Campus Connect initiative provides for a two way association with the Institutions – to enrich the quality of technical education imparted at the Institutes and creating a talent pool ready for deployment in the Industry. Infotech has been actively promoting partnership between the Industry and Academia by signing MoUs with IIT Hyderabad, JNTU Kakinada, JNTU Hyderabad, CBIT Hyderabad, SNIST Hyderabad, CIPET Hyderabad, MLRIT Hyderabad and IARE Hyderabad. The M. Tech Avionics program at JNTU Kakinada launched in the year 2011, is one of the many notable achievements of Infotech’s MOUs with Engineering Institutes in its effort to help improve the quality and industry readiness of talent available for the industry.

#### **About Infotech Enterprises Limited**

Established in 1991, is a leading Global Engineering services company. Infotech provides services to a wide range of industries - Aerospace, Rail, Automotive, Marine, Energy, Oil & Gas, Plant Engineering, Consumer Electronics, Medical Electronics, Semiconductor, Telecom (Manufacturers) Computing industries, Utilities, Telecom (operators) and Government.
