Pinarayi Vijayans recent act of holding a meeting of the members of the personal staff of the Ministers.

As per a decision taken by the CPI(M)'s State committee, meeting of all the members of the Ministers' personal staff should be held every six months as part of the performance

that Pinarayi had the authority to do so in the capacity as CM.

However, it is now apparent that Pinarayi had called the meeting not just in his capacity as Chief Minister but according to a well-planned scheme of the CPI(M) as its State committee is said to have taken the decision at its meeting in mid-November.
