Dear Sir/ Madam,

Re: Update under Clause 36

We would like to inform you that, as a part of reinvestigation in the matter of land acquisition at Village Taje & Pimploli near Pune, officers from the CBI have visited our Pune Office and Registered Office today to check our records relating to land acquisition at Village Taje & Pimploli near Pune. The Company & its management have fully cooperated with them and provided the necessary documents and denied any wrong doing. We have understood from the publicly available sources that in August 2014, the Honorable High Court Bombay has permitted reinvestigation into the complaint pertaining to the land acquisition which was filed by the late RTI activist in 2009.

However, it is also understood from publicly available sources that the CBI has already filed a Closure Report before the Sessions Court, Pune, after conducting its investigation in the matter pertaining to the murder of the same RTI activist in Maharashtra, India.

We would also like to state that we at IRB, conduct our business in due compliance of law and maintain highest standard of corporate governance and we have full faith in the due process of law & the Judiciary.

We request you to take this information on record.
