**About KNR Constructions Ltd. (KNRCL)**

KNR Constructions Limited is an infrastructure development company providing engineering, procurement and construction services across various fast growing sectors, namely, roads and highways, irrigation and urban water infrastructure management. The company's project execution strength is in road transportation engineering projects, i.e. construction and maintenance of roads, highways, flyovers and bridges, wherever integral to the projects undertaken. The company's strong project management skills help it in timely and successful completion of projects.
