PRESS RELEASE

Movement Mortgage Selects Infosys to Lead Its Digital Transformation, Development Services

Infosys has become the sole technology partner for Movement Mortgage, navigating its digital transformation journey and providing IT as a service

Indian Land, South Carolina – November. 5, 2019: Infosys (NYSE: INFY), a global leader in next-generation digital services and consulting, has been selected as a strategic partner by Movement Mortgage, a fast-growing mortgage bank in the U.S., to lead its digital transformation and offer IT as a service to accelerate the fintech company's pace of extraordinary growth and scale.

This six-year collaboration will further strengthen Infosys' position as a leading end-to-end provider in the mortgage industry and advance the company's strategy of helping clients navigate their digital transformation journey. Infosys will support Movement Mortgage's 650 locations in 47 states to ensure the smooth transition of business models in the company's transformation projects, with the aim to increase business volume for Movement Mortgage and leverage the company's fintech services to develop mortgage industry specific solutions for Infosys customers.

Casey Crawford, CEO, Movement Mortgage, said, "Movement Mortgage is committed to providing loan officers, real estate agents and our borrowers with technology and a digital infrastructure that delivers an innovative, user-friendly experience on every platform and in every channel, both today and in the future. We're pleased to have selected Infosys as our strategic partner across these key business functions. Infosys' expertise in digital transformation, cloud technologies and mortgage and retail lending will help Movement continue to spearhead industrywide transformation that improves the mortgage experience for everyone and makes the dream of homeownership more accessible than ever before."

Mohit Joshi, President, Infosys, said, "At Infosys, we have pioneered IT as a service for the financial industry by providing our clients with unique, industry-focused solutions as they embark on their digital transformation journeys. Our collaboration with Movement Mortgage sets the stage for a new era of mortgage services, and we couldn't be more excited to bring our collective expertise together in this next phase."

About Movement Mortgage

Movement Mortgage exists to love and value people by leading a Movement of Change in its industry, corporate culture and communities. Movement has funded more than $55 billion in residential mortgages since 2008 and is the seventh-largest retail mortgage lender in the U.S. Movement is best known for its innovative mortgage process and referable experience, which begins with Upfront Underwriting and a seven-day loan processing goal. The company employs more than 3,500 people, has more than 650 branches in the U.S. and is licensed in 49 states.

Its nonprofit organization, the Movement Foundation, has reinvested approximately $40 million in communities to date. For more information, visit www.movement.com.

Safe Harbor
Certain statements mentioned in this release concerning our future growth prospects and our future business expectations are forward-looking statements intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995. Such statements involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2018. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company unless it is required by law.
