This is in continuation to my letter dated 14th December 2018 in the subject and reference cited above.

I wish to clarify that there was a typo error in the said communication and the disclosure thereto, which is hereby corrected. Accordingly, please note that of the total 5,90,66,000 equity shares proposed to be transferred by way of gift 4,25,03,000 equity shares are encumbered and accordingly while 1,65,63,000 equity shares would be transferred on 21st December 2018, the balance 4,25,03,000 equity shares would be transferred, in one or more tranches, as and when the encumbrance on these equity shares is released.

It is further clarified that there is no change in the total number of the equity shares, i.e. 5,90,66,000, as proposed to be transferred by way of gift.

All other contents of the said advance intimation dated 14th December 2018 and the enclosures thereto remain unchanged.
