Auditor's Report On Standalone Annual Financial Results of the Company Pursuant to the Regulation
33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

TO
THE BOARD OF DIRECTORS OF
OM METALS INFRAPROJECTS LIMITED

We have audited the accompanying statement of standalone financial results of M/s Om Metals Infraprojects Limited (The company),for the quarter and year ended 31st March, 2019 (The statement), being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

This statement is responsibility of the company's management and approve by the board of director. The statement as it relates to the quarter ended 31 march 2019 has been compiled from the related interim condensed standalone financial statement prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34)for Interim Financial Reporting, prescribed, under Section 133 of the Companies Act, 2013 read with relevant rules issued there under; or by the Institute of Chartered Accountants of India, as applicable and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the statement based on our audit of such interim condensed standalone financial statement and annual standalone financial statement.

We conducted our audit in accordance with the standards on auditing issued by Institute of chartered accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the statement is free from material misstatement(s).

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the company's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of company's internal financial controls.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our audit opinion.

Basis Of qualified opinion

1. The standalone financial statements, the Company's non-current investments as at 31 March 2019 include investments aggregating 488.44 Lacs in a subsidiary i.e M/s Chahel Infrastructure Ltd; being considered good and recoverable by the management considering the factors stated in the aforesaid note.

However, this Subsidiary has accumulated losses and its net worth is fully eroded. Further, this subsidiary is facing liquidity constraints due to which they may not be able to realize projections made as per their respective business plans, thus we are unable to comment upon the carrying value of these non-current investments and recoverability of the aforesaid dues and the consequential impact, if any, on the accompanying standalone financial statements and as per audited financial statements of subsidiary provided to us, respective auditor has not qualified on going concern matter. The recoverability of the said investment is in doubtful in our opinion.

2. The standalone financial statements, the Company's non-current investments as at 31 March 2019 include investments aggregating 5092.20 Lacs and advances current as well as noncurrent in two joint ventures viz. Bhilwara Jaipur Toll Road P Ltd and Gurha Thermal Power Company Ltd totaling to Rs. 8518.13 Lacs; being considered good and recoverable by the management considering various factors.

For the breach on the part of authority, both joint ventures has filed termination notices to their respective authority and claimed the amount invested and termination payments as per concession agreement. Company is operating only on behalf of respective authority and is not booking any expenses and revenue in books after termination. So far as this matter indicates material uncertainty about the going concern of these joint ventures. In our view, recoverability of the amount invested and advance provided not certain but no provisioning has been made against such diminution in value of investment and loans. Management is of the view that such arbitration claims has merits and will be in favor of joint ventures and amount invested and advance provided will be recovered fully.

3. Company granted advance to SPML Infra Limited amount of Rs. 541.95 lacs as at 31st march, 2019. The Management represented that this amount will be adjusted against capital contribution of SPML Infra Ltd lying in OM Metal SPML JV (Ujjain) which is a joint operation and proportionately included in company's financial statements. However, in absence of third party confirmation and other supportive evidence, we are unable to comment upon such balances and such adjustment. Further company has not adjusted such amount in books.

Other Matter

- (i) We did not audit the separate financial statements of five joint operations, included in these standalone financial statements, whose financial statements reflect total assets of Rs. 8576.45 Lacs and net liabilities of Rs. 6464.02 Lacs as at 31 March 2019, and total revenues of Rs.7189.37 Lacs and Net Profit of Rs. 1258.49 Lacs for the year ended on that date, as considered in these standalone financial statements. The Company had prepared separate set of statutory financial statements of these joint operations for the years ended 31 March 2019 in accordance with accounting principles generally accepted in India and which have been audited by other auditors under generally accepted auditing standards applicable in India. Our opinion in so far as it relates to the amounts and disclosures in respect of these joint operations is solely based on report of the other auditors and the conversion adjustments prepared by the management of the Company, which have been audited by us. Our opinion is not qualified in respect of this matter.
- (ii) The company has executed an agreement to sale of Hotel Om Tower (Hotel division) in current year and whole amount against sale consideration of Rs. 3600.00 Lacs has been received on various dates from the buyer of property as at 31.03.2019. Company has classified such net current and noncurrent assets as held for sale under the other current assets and recognized them on lower of book value and recoverable amount which is based upon the management's prudent business practice and does not affect company's profitability or going concern.
- (iii) The Company made claims against customer/parties/ subsidiaries which represents work done in earlier years or loss of interest or any other matter which are either in dispute or yet to be finalized by both the parties amounting to Rs. 64886.62 Lacs. Outcome of such claims are presently unascertainable. No adjustment has been made in the standalone financial statements. Our opinion is not qualified in respect of this matter.

In our opinion and to the best of our information and according to the explanations given to us except the matter specified in Basis of Qualified Opinion and other matter, these quarterly financial results as well as the year to date results:

- are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and
- give a true and fair view of the net profit and other financial information for the quarter / year ended 31.03.2019 as well as the year to date results for the period from 01.04.2018 to 31.03.2019.
