Dear Sir/S,

Sub: Movement in Price

Ref. No.: NSE/CM/Surveillance/17633

With reference to above subject, this is to submit that the Tamilnadu Telecommunications Limited (TTL) being a joint venture sick company itself is not responsible for movement in share prices. The movement observed in share prices might be due to the activity undertaken by the promoter, as they have decided to sell their share of stake in TTL, the same was informed to shareholders in the AGM held on 25.09.2026. The investors must have reacted heavily to the prospective potential buyer for investment in TTL since the manufacturing activities is standstill.

Submitted for necessary action please

Thanking You,
Yours Faithfully,

J Ramesh Kannan
Managing Director & CFO
