## L&T Construction Bags New Orders Valued Over ₹ 1620 crore

**Mumbai, November 02, 2011:** L&T Construction has bagged new orders worth **₹ 1629 crore** in the Building & Factories segment.

A major design & build order worth **₹ 900 Cr** was secured for the construction of a major IT Campus facility during the end of the second quarter.

The third quarter ushered in new orders worth **₹ 729 Cr** for the construction of a commercial building, university, residential towers and an automobile factory from various clients.

These orders further enhance the order book of the company which has already secured major design & build contracts for airports, IT Parks, commercial and residential projects in India and abroad.

**Background:**

Larsen & Toubro is a **USD 11.7 billion** technology, engineering and construction group, with global operations. It is one of the largest and most respected companies in India's private sector. A strong, customer - focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business over seven decades.
