Dear Sir/Madam,

Sub: Successful test firing of PSOM-XL strap-on motor supplied to SHAR (ISRO), Sriharikota

We are happy to inform you that today, Wednesday, January 17, 2018 the PSOM-XL strap-on motor supplied on trial order was put to "static test" at SHAR (ISRO), Sriharikota and the test was successful. This strap-on motor was produced at our Peddakandukuru factory, Telangana.

Commenting on the test result, Dr. AN Gupta, CMD of the company who has witnessed the test at Sriharikota, said that the Company has been happy to associate with prestigious SHAR (ISRO) who have also guided the Company's team with continuous hand-holding to establish the production systems to meet the project requirements.

This is the first time that SHAR (ISRO) procured any solid propellant motor from private sector and we are happy that we got the opportunity and the test was successful.

We expect regular order for the product from SHAR (ISRO) in next financial year

This is for your kind information and record.

Thanking you,

Yours Faithfully,

For Premier Explosives Limited,

Vijayashree.K

Company Secretary
