Press Release

Mahindra offers proactive replacement of a single part in Scorpio's Ex variant only

Mumbai, December 5, 2013: Mahindra & Mahindra, a part of the USD 16.2 Billion Mahindra Group, today announced that it would carry out preventive replacement of one part in its Scorpio Ex variant. This is in keeping with its customer centric approach as well as in compliance with the recently announced voluntary code on vehicle recall.

Mahindra will carry out preventive replacement of a pressure regulating valve in 900 units of only Scorpio's Ex variant which were manufactured between October/November 2013. This replacement would be carried out with immediate effect and would be done free of cost for Scorpio Ex customers who would be individually contacted by the company/authorized dealers.

The recall is limited only to the Scorpio Ex variant manufactured during the said period and does not affect other Scorpio variants.

About Mahindra

The Mahindra Group focuses on enabling people to rise through solutions that power mobility, drive rural prosperity, enhance urban lifestyles and increase business efficiency.

A USD 16.2 billion multinational group based in Mumbai, India, Mahindra employs more than 180,000 people in over 100 countries. Mahindra operates in the key industries that drive economic growth, enjoying a leadership position in tractors, utility vehicles, information technology and vacation ownership. In addition, Mahindra enjoys a strong presence in the agribusiness, aerospace, components, consulting services, defence, energy, financial services, industrial equipment, logistics, real estate, retail, steel, commercial vehicles and two wheeler industries.

In 2012, Mahindra featured on the Forbes Global 2000 list, a listing of the biggest and most powerful listed companies in the world. In 2013, the Mahindra Group received the Financial Times 'Boldness in Business' Award in the 'Emerging Markets' category.
