--	--

Dear Sirs,

Sub: Clarification/Confirmation on news item appearing in “Media/ Publication”**Ref: Email dated March 24, 2025 received from BSE Limited and NSE Limited**

This has reference to the above referred email received from BSE Limited and the National Stock Exchange of India Limited, seeking clarification on the article published on the website: <https://energy.economicstimes.indiatimes.com> on March 24, 2025. In this regard, we would like to state that the Company has vide its intimation dated December 18, 2024, already informed about its intention to expand its glass production capacity by 500 Tonnes per day (TPD), which is equivalent to approximately 3.5 GW taking the overall capacity to 10 GW, with expected commissioning during July to September 2026.

Kindly note that the Company has been regularly making timely disclosures under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. We would further like to submit that the share prices are purely market driven and the management of the Company neither has any control nor has any knowledge of any specific reason for the movement in price of shares. Further, it is worth noting that overall share market itself saw a significant upward movement today.

The aforementioned information is also being made available on the Company’s website at www.borosilrenewables.com

You are requested to take the same on record.

Thanking You,

For Borosil Renewables Limited**Ravi Vaishnav**
