

Micro Technologies and OGW Ties Up to Secure the Malaysian Market

In a Historic Event, Micro Technologies (India) Limited tied up with Malaysia Based Company OGW for Distributing its products in the Malaysian Markets. Malaysia has a exceptionally high theft Rate, as the Annual Losses due to the Car Theft itself is about \$250 Million.

In this Scenario, OGW Identified the Products of Micro Technologies as a Knight in Shining Armor. The Micro Technologies Security Product Range, has a Unique Advantage of not being restricted due to Geographical Barriers, as it is a Dynamic Security System which can Provide all the relevant information of the activities taking in a Person's Premises, Vehicle, Mobile, Computer etc. on real time without the person actually needing to be there.

"The Best Part of the Products and Solutions is that I sitting in India, can Control My Vehicle, Home etc which is in Malaysia" Quoted Mr. Tee Piau Liong - Executive Director who was really astonished with the Range of Products and Services that Micro Technologies has to offer.

The Deal has been Signed to initially take Micro Technologies Micro Vehicle Black Box (Micro VBB), Micro Bike Security System (Micro BSS), and Micro Premises Security to the Malaysian Market by OGW. The Projected Business value of \$5 Million in the Initial Phase of the Business. This could be later on expanded to a National Government Project, which could enable the Micro VBB and Micro BSS to cover the Entire Malaysia Market.

"This would be a historic Turn of Events in Which, Micro Technologies could become one of the first Indian Companies to Export its Technologies to the Malaysia, which is a Technologically Driven Country" quoted Mr. Aditya S - Chief Strategic Officer - Micro Technologies

"It is indeed our honor to have a strategic tie-up with such an innovative & fast growing company like Micro Technologies. For Malaysia, it will represent a new era in security systems as Micro's products can cater to a broad spectrum of industries & users" Mr. Tee Piau Liong said just before Signing the Agreement.
