Central Bank opens IFSC banking unit at GIFT City

Mumbai: Central Bank of India on Monday opened its International Financial Services Centre (IFSC) Banking Unit (IBU) at Gujarat International Finance Tec-City (GIFT City). The public sector bank's IBU will enable it to cater to the foreign currency funding requirements of its corporate clients by offering a comprehensive range of financial products and services, per a bank statement. The funding requirement that the bank will cater to include foreign currency loans, trade finance solutions, treasury and risk management products, and other enhanced banking solutions. OUR BUREAU

Canara Bank pays ₹2,397 cr dividend to govt for FY26

Bengaluru: Canara Bank on Monday handed over a dividend cheque of ₹2,397 crore for FY26 to Nirmala Sitharaman. The cheque was presented by Brajesh Kumar Singh, MD & CEO, Canara Bank. For the financial year 2025-26, Canara Bank declared a dividend of ₹4.2 per share. The bank reported a record net profit of ₹19,187 crore in 2025-26, compared to ₹17,027 crore in the previous year. IFSCA plans 'One KYC' system for GIFT IFSC onboarding

UNIFIED FRAMEWORK. Move to build common compliance infra across GIFT International Fin Services Centres

Avinash Nair
Ahmedabad

The International Financial Services Centres Authority (IFSCA) is moving to introduce a 'One KYC' framework across GIFT IFSC, allowing investors and clients to complete their Know Your Customer (KYC) process only once and use the same verified records to access multiple financial services within GIFT City.

To operationalise the framework, the regulator has proposed mandatory integration of all regulated entities with KYC Registration Agencies (KRAs), creating a centralised KYC repository that can be accessed across banks, brokerages, insurers, fund managers and other financial institutions operating in the IFSC. "One of the main objectives of IFSCA is to promote ease of doing business for conducting financial services and attracting global capital into India. It is extremely important to ease the onboarding and KYC process for clients," IFSCA

ON TARGET. The regulator also plans to make the IFSC framework interoperable with the Central KYC Registry

Chairman K Rajaraman told *businessline*.

He said financial institutions operating in GIFT IFSC had repeatedly sought a solution that would eliminate multiple KYC submissions. "If a client has completed KYC with one regulated entity in IFSC, she should not be required to complete KYC again for onboarding with any other regulated entity in the IFSC," he added.

Under the proposal, every client will be assigned a unique identification number by a KRA, enabling regulated entities to retrieve and verify existing KYC records instead of asking customers to repeatedly submit the

same documents. The regulator said the move is intended to simplify client onboarding while reducing duplication in compliance processes.

IFSCA PROPOSAL

In a consultation paper issued on June 26, IFSCA proposed that all regulated entities in the IFSC integrate with at least one KRA registered with the authority for uploading, storing, retrieving and updating client KYC records. The regulator has already granted registration to one KRA and is in the process of approving another. Rajaraman said the KRA framework had been designed broadly along the

lines of the system regulated by SEBI in domestic markets but with a wider scope. "In the IFSC, the KRA covers the entire spectrum of financial services, including securities markets, banking, insurance and pensions," he said.

Unlike domestic India, where different sectors have separate onboarding processes, the IFSC framework seeks to provide a common KYC infrastructure across financial services.

Rajaraman described the KRA as functioning "more like a utility infrastructure layer" for regulated entities, allowing them to securely access verified client records while improving customer convenience.

The regulator also plans to make the IFSC framework interoperable with India's Central KYC Registry (CKYCR). According to Rajaraman, the Finance Ministry is working on a notification that will integrate IFSC KRAs with CKYCR, while the government is pursuing its broader "One KYC" vision across the financial sector.

"KRA systems will work as

an intermediary layer in IFSC, synchronising KYC data with CKYCR, which is India's universal KYC repository," he said.

ROLLOUT PLAN

The rollout will be implemented in phases. Regulated entities will be required to integrate with at least one KRA within two months of the circular coming into force. From September 1, 2026, all new clients onboarded in the IFSC must be linked to a KRA, while KYC records of all existing active clients will have to be updated by October 30.

Looking ahead, Rajaraman said IFSCA's objective is to make onboarding increasingly digital.

"In the next few years, we aim to become fully digital, subject to the legal framework permitting it," he said, adding that achieving interoperability with other jurisdictions would depend on data privacy laws and cross-border regulatory cooperation. Public comments on the consultation paper are invited until July 16.

CFOs of Axis Bank, Bandhan Bank resign

Our Bureau
Mumbai

The private sector banking space witnessed two senior leadership exits, with Axis Bank and Bandhan Bank on Monday announcing the resignations of their Chief Financial Officers (CFOs).

Axis Bank, in a regulatory filing, said CFO Puneet Sharma had tendered his resignation on June 28 to pursue the next phase of his professional journey.

Bandhan Bank, in a regulatory filing, said Rajeev Mantri, CFO and key managerial personnel (KMP), had tendered his resignation vide letter dated June 29, to pursue another opportunity from career growth perspective.

According to the word on the street, Sharma and Mantri may join as CFOs of HDFC Bank and Axis Bank, respectively.

Axis Bank said Sharma will be relieved from its services at the close of business on August 31.

In his resignation letter to the Axis Bank MD & CEO, Sharma said: "When I accepted this role more than 6 years ago, my core mandate was to build a strong team with deep functional

Puneet Sharma

Rajeev Mantri

strength, robust financial controls and reporting discipline, incorporate prudent financial practices, build a resilient balance sheet and improve shareholder trust.

"These objectives are now largely complete... The bank is today anchored by capable functional teams in each of the aforementioned areas, rigorous reporting governance, and a resilient balance sheet that positions us for long-term growth. This allows me to step away and look ahead to the next phase of my professional journey."

Bandhan Bank said Mantri's last working day as CFO and KMP would be September 25.

AC makers see strong growth in April-May, but demand dips in June

Meenakshi Verma Ambwani
New Delhi

Air-conditioner makers witnessed strong growth in the months of April and May but there was a dip in June due to changes in weather patterns and inflationary pressures.

Players said the industry recorded a volume growth in the June quarter over the same period last year, which was a washed-out summer season but remained flatish compared to Q1 FY25.

Analysts said there was some softening of demand due to price hikes taken by AC players to mitigate the impact of higher raw material costs and rupee depreciation.

Kamal Nandi, Business Head and EVP at Appliances Business of Godrej Enterprises Group, said, "Overall the June quarter was much better for air-conditioners compared to last year. Both April and May were good months but in June we have

BUSINESS BOOST. The industry is expected to end the June quarter with value growth of 30 per cent over the previous fiscal

seen some drop in demand due to change in weather patterns. This is also due to postponement in discretionary spending by consumers due to inflationary pressures. The industry was expecting that due to El Nino effect, we will see strong demand even in June but that is not visible on the ground."

PRICE HIKE

As per some estimates, players have hiked prices from 5-20 per cent depending on the brand and product models. Blue Star's MD B Thiaga-

rajan said that the industry is expected to end the June quarter with value growth of 30 per cent over the previous fiscal. "The key concern is that margins are under pressure due to inflationary pressures. The industry was expecting that due to El Nino effect, we will see strong demand even in June but that is not visible on the ground."

Analysts said the industry had recorded strong growth in the June quarter compared to the same period in the previous fiscal. However,

compared to the June quarter of FY25, the growth will be flatish.

A report by Motilal Oswal Financial Services noted that the demand environment was increasingly influenced by region-specific weather patterns during the June quarter. "Near-term performance in the RAC segment is likely to be driven more by regional heat intensity, product mix, scheme offerings, and execution quality than by a pan-India volume upcycle," it said.

REGIONAL VARIANCES

Outlining regional variances, the report added that demand in the southern region remained relatively resilient. However, in North and Central India, demand remained heavily weather-driven with strong sales from late-April to May but softened in June due to unseasonal rain.

Higher price-sensitivity was seen among consumers in the eastern region, the report noted.

Construction boom fuels Quess Corp's staffing play

Aishwarya Kumar
Bengaluru

Construction is emerging as the next growth driver for Quess Corp's staffing business as India's infrastructure and manufacturing expansion fuels demand for organised workforce providers in a sector long dominated by informal contractors.

While manufacturing has become the segment's largest and fastest-growing staffing segment, Quess Staffing Solutions Chief Executive Officer Nitin Dave said construction is now being positioned as a "hyper-growth" area, with the company planning to significantly scale its presence.

HYPER GROWTH

"Manufacturing is clearly number one for us. Construction is a clear area of hyper-growth. It's still very small, but highly scalable," Dave said.

The staffing firm entered the construction segment around two years ago and

currently deploys between 3,000 and 5,000 workers across projects spanning airports, roads, industrial facilities and other infrastructure developments. It plans to expand further as large developers increasingly seek compliant workforce partners capable of operating across multiple locations.

According to Dave, construction remains one of the country's least formalised employment sectors, with the majority of workers still hired through small subcontractors.

STAFFING MODEL

Quess believes this creates an opportunity to replicate its staffing model, already established across manufacturing, retail and banking, in construction.

Beyond construction and manufacturing, Quess expects demand from banking, retail and consumer businesses to remain robust as formal employment expands deeper into smaller cities and companies continue to gain market share.

NOTICE

INFORMATION REGARDING 30TH ANNUAL GENERAL MEETING ("AGM") TO BE HELD THROUGH VIDEO CONFERRING ("VC")/OTHER AUDIO VISUAL MEANS ("OAVM") AND RECORD DATE FOR FINAL DIVIDEND

- Members are requested to note that the 30th AGM of the Company is scheduled to be held on Tuesday, August 11, 2026, at 11.00 A.M. through VC/OAVM in compliance with the provisions of the Companies Act, 2013 ("the Act") and Rules made thereunder, read with General Circular No. 03/2025 dated September 22, 2025 read with the circulars issued earlier in this regard by the Ministry of Corporate Affairs ("MCA") from time to time (collectively referred to as "MCA Circulars"), permitted holding of the AGM through VC/OAVM without physical presence of the Members at a common venue and the relevant circulars if any, issued by Securities and Exchange Board of India ("SEBI") and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), to transact the businesses set forth in the Notice of the 30th AGM.
- In Compliance with the aforesaid circulars, electronic copies of Notice of the 30th AGM and the Annual Report for the Financial Year 2025-26 will be sent to all members whose e-mail address is registered with the Company/Registrar and Transfer Agent ("RTA") of the Company or Depositories [National Securities Depository Limited ("NSDL") and Central Depository Services (India) Limited ("CDSL")]. Additionally, a letter providing the web-link, including the exact date, where complete details of the Annual Report are available, will be sent at the registered address to those shareholders whose email id is not registered. The Shareholders of the Company may request physical copy of the Notice and Annual Report from the Company by sending a request at investors@vanguard.in, in case they wish to obtain the same. The Notice of the AGM along with Annual Report for the Financial Year 2025-26, will also be made available on the websites of the Company at investor relations section at www.vanguard.in, the Stock Exchanges, BSE Limited at www.bseindia.com and National Stock Exchange of India Limited at www.nseindia.com and on the CDSL's website at www.evotingindia.com.
- Members who wish to register/update their e-mail address/bank account details are requested to follow the instructions given below:
 - Physical holding: Members holding shares in physical mode and who have not updated their e-mail address with the Company are requested to update the e-mail address by logging in to the website of the Company's RTA, M/s MUFG Intime India Private Limited, <https://m.mfgm.mufg.com/> and select "Email Registration" under "Investors Services" section of the website as guided therein. For updating the Bank Account details the members are requested to contact at M/s. MUFG Intime India Private Limited, Surya 35, Mayflower Avenue, Behind Senthil Nagar, Sowripalayam Road, Coimbatore-641 028, Tel: 9442231422, Email: investors@vanguard.in
 - Dematerialized holding: Members holding shares in dematerialized mode are requested to contact the Depository Participant (DP) and register/update the e-mail address and bank details in the demat account as per the process advised by the DP.
- Manner of attending AGM and casting votes through e-voting: Members can attend and participate in the AGM only through VC/OAVM using the electronic voting system ("e-voting") provided by CDSL. Detailed instructions regarding the manner of joining the AGM and vote through remote e-voting or during the AGM (both physical and demat shareholders) will be provided in the AGM Notice. Members who have not registered their email address can refer to the AGM Notice for the process to obtain their User ID and password to vote through remote e-voting or during the meeting. Members who are already voted through remote e-voting can still attend the AGM through VC/OAVM but will not be allowed to vote again during the AGM.
- Dividend related matters: Members are requested to note that the Board of Directors of the Company in its meeting held on May 12, 2026 has recommended a Final Dividend of ₹ 1.50/- (150%) per equity share of ₹ 1.00/- each for the Financial Year 2025-26. The declaration of Final Dividend is subject to the approval of members in the ensuing AGM of the Company. Pursuant to various circulars issued by SEBI from time to time, dividend to security holders who are holding securities in physical form shall be paid only through electronic mode. Such payment shall be made only if the shareholders furnish their PAN, contact details (postal address with PIN and mobile number), bank account details and specimen signature (KYC) and choice of Nomination. As per the aforesaid SEBI Circulars, members holding securities in physical form may note that dividend payable against their shareholdings would be withheld if their KYC details are not updated with the RTA. An intimation in this regard has been sent to the registered address of all physical shareholders on July 20, 2026. Further, pursuant to the amendment to Regulation 12 of the SEBI Listing Regulations effective from November 19, 2025, the Company would be unable to pay dividends to any shareholder (Physical/demat) through physical instruments, whose Bank account details are not updated with Company/RTA/Depositories. The procedure for registration/update of Bank account details are provided in Point No.3. Pursuant to Section 91 of the Act, the Register of Members and e-Transfer Books of the Company will remain closed from Saturday, August 1, 2026 to Tuesday, August 11, 2026 (both days inclusive), for the purpose of AGM and for determining the members eligible for Final Dividend on equity shares. The Final Dividend, will be paid on or before September 9, 2026 to those members or their mandates whose names appear in Register of Members as on July 31, 2026. The cut-off date for the purpose of determining the Member's eligibility for participation in remote e-voting and e-voting at the AGM for the Financial Year 2025-26 is Tuesday, August 4, 2026.
- Procedure to raise questions/seek clarifications with respect to Annual Report: As the AGM is being conducted through VC/OAVM, members who wish to register themselves as Speakers to express their views or ask questions during the 30th AGM, as well as those who do not wish to speak but have queries are requested to send an e-mail to investors@vanguard.in on or before Saturday, August 1, 2026 (by 5.00 P.M.), mentioning their name, demat account number/folio number, e-mail address, and mobile number.
- Tax on Dividend: Members are requested to note that pursuant to the requirement of the Income Tax Act, 2025, dividend income is taxable in the hands of shareholders and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. Necessary information with respect to the tax deductible on dividend declared, will be provided in the Notice of AGM for reference to the Members.

External debt rises to \$763 billion at end-March

Press Trust of India
Mumbai

India's total external debt stood at \$762.8 billion at the end of March 2026, registering an increase of \$26.3 billion over the year-ago period, according to RBI data released on Monday.

Valuation effect due to the appreciation of the US dollar vis-a-vis the rupee and other major currencies amounted to \$24.6 billion, according to the data on 'India's external debt as at the end of March 2026'.

"Excluding the valuation effect, external debt would have increased by \$51 billion instead of \$26.3 billion at end-March 2026 over end-March 2025," the Reserve Bank of India said.

The central bank also said the external debt to GDP ratio increased to 20.8 per cent at end-March 2026 from 19.8 per cent during the corresponding period a year ago.

LONG-TERM DEBT

At the end of March 2026, RBI said long-term debt (with original maturity of above one year) stood at \$613.5 billion, recording an increase of \$11.6 billion over its level at end-March 2025.

"The share of short-term debt (with original maturity of up to one year) in total external debt increased to 19.6 per cent at end-March 2026

Valuation effect due to the appreciation of the US dollar vis-a-vis the rupee and other major currencies amounted to \$24.6 billion

from 18.3 per cent at end-March 2025," it said.

Similarly, the ratio of short-term debt (original maturity) to foreign exchange reserves increased to 21.6 per cent at end-March 2026 from 20.1 per cent at end-March 2025.

US dollar-denominated debt remained the largest component of India's external debt, with a share of 55.5 per cent at end-March 2026, followed by debt denominated in the Indian rupee (29.4 per cent), yen (6.4 per cent), SDR2 (4.3 per cent) and euro (3.7 per cent).

RBI further said outstanding debt of the general government decreased, while non-government debt increased at end-March 2026 over the level a year ago.

Loans remained the largest component of external debt, with a share of 34.7 per cent, followed by currency and deposits (22.3 per cent), trade credit and advances (19 per cent) and debt securities (16.1 per cent).

SBI concludes issuance of \$300 m floating rate notes to attract FCNR(B) deposits

Our Bureau
Mumbai

State Bank of India has concluded the issuance of \$300 million senior unsecured floating rate notes having maturity of 3 years amid demand for leverage from non-resident Indians wanting to place fresh foreign currency non-resident (bank) deposit with the bank at higher interest rates.

India's largest bank, in an exchange notification, said the notes had been issued at a coupon of SOFR (secured overnight financing rate) + 100 bps (basis points) per annum payable quarterly in arrears under Regulation-S.

The bonds will be issued through the London branch as of July 6.

MOBILISATION DRIVE

In a bid to attract foreign capital, the RBI announced a host of measures on June 5. To encourage mobilisation of fresh 3-5-year FCNR (B) deposits, the central bank said it will bear the full hedging cost to banks till September 30. It has also exempted the deposits so raised from statutory pre-emptions.

The upshot of the two aforementioned measures is that banks have increased in-

terest rates to 6-7 per cent thereabouts, from the earlier 3 per cent odd levels.

Bankers said the \$300 million senior unsecured floating rate notes issuance may only be the first of such issuances by the bank. It is likely to go for a couple of more issuances in the run up to the closure of the high-interest rate deposit scheme on September 30, 2026.

On an FCNR (B) deposit of up to \$1 million and above \$1 million in the 3 years and above but less than 4 years tenor, SBI is now offering interest rate of 5.25 per cent and 5.5 per cent, respectively. Earlier, interest rate on these deposits, irrespective of the amount, was 3.35 per cent. On a deposit of up to \$1 million and above \$1 million in the 4 years and above but less than 5 years tenor, the bank is quoting interest rate of 5.50 per cent and 5.75 per cent, respectively. The earlier interest rate was 2.95 per cent.

On an FCNR (B) deposit of up to \$1 million and above \$1 million of 5 years tenor, it is quoting interest rate of 5.75 per cent and 6 per cent, respectively. The earlier interest rate was 3.05 per cent.

SBI economists expect the banking system to mobilise around \$40-45 billion via the FCNR (B) deposits route.
