Mindtree to Exhibit at Kony World 2014

Showcase will spotlight mobility solutions for financial services and CPG

Bangalore (INDIA) and Warren (NJ), March 5, 2014 - Mindtree, a global technology services company, today announced it will be participating in Kony World 2014, the annual user conference for Kony, a Mindtree partner in mobility solutions. Kony World is an exclusive, invitation-only event that attracts several hundred elite enterprise mobile executives and strategists, as well as many mobile IT architects from Fortune 500 companies.

As part of their strategic partnership, Mindtree and Kony work together to create optimized mobility solutions for a variety of verticals, including financial services and consumer packaged goods (CPG). At Kony World 2014, Mindtree will be demonstrating mobile apps for financial advisors, credit processing, and mortgage insurance. It will also be showcasing its mPromo app, which helps retailers and brand organizations plan, execute and track trade promotions effectively and efficiently.

"In today's world, strong strategic partnerships are needed to engineer meaningful solutions for our clients. Kony is a leader in multi-channel application development and a key Mindtree partner. We are thrilled to be taking part in their annual conference," said Paul Gottsegen, Senior VP, Chief Marketing & Strategy Officer at Mindtree.

"We are very excited to have Mindtree as a sponsor at Kony World 2014," said Robin Kearon, senior vice president of channels and alliances at Kony. "In collaboration with Mindtree's mobile expertise, global delivery capabilities and Kony's multi-channel application development platform, we are positioned to deliver innovative mobile solutions to meet the ever changing business needs of our clients."

About Mindtree
Mindtree [NSE: MINDTREE] delivers technology services and accelerates growth for Global 1000 companies by solving complex business challenges with breakthrough technical innovations. We are among the fastest growing technology firms globally with more than 200 clients and offices in 14 countries. Mindtree specializes in e-commerce, mobility, digital transformation, business intelligence, data analytics, testing, infrastructure, EAI and ERP solutions. We deliver amazing results: Helping 100 million passengers fly safely. Improving security and performance for one of the world's largest online stores. Unifying brand messaging and improving engagement for one billion consumers. For Mindtree, "Welcome to possible" is more than a slogan - it reflects our approach for every engagement.

About Kony
Kony is the fastest growing cloud-based mobile application development platform (MADP) in the industry with over 600 live multi-channel apps, serving over 20 million end users across 45 countries. The Kony Experience Platform is an integrated software development lifecycle (SDLC) platform to define, design, develop, test, deploy, and manage multi-channel applications from a single codebase. With Kony, you can deliver stunning user-first experiences, get to market faster, and lower your application TCO. Kony also offers ready-to-run B2E and B2C apps that enable customers to quickly extend their business.
