Mindtree Announces Strategic Alliance with Pegasystems

Companies to focus on developing and delivering solutions to eliminate siloed business processes

Warren (NJ) and Bangalore (INDIA), March 24, 2014: Mindtree, a global technology solutions company, today announced a strategic alliance with Pegasystems Inc. (NASDAQ: PEGA), the leader in Business Process Management (BPM), to develop and optimize custom BPM solutions. The solutions will be based on Pegasystems' Build for Change® technology platform.

"Customers want a solution that leverages BPM platforms across multiple lines of business," said Paul Gottsegen, Senior VP, Chief Marketing & Strategy Officer at Mindtree. "Our broad alliance with Pegasystems helps our clients accelerate their efforts to create a more streamlined organization."

"Mindtree shares our vision of providing clients with innovative solutions that solve a broad spectrum of challenges that today's businesses face on the path to becoming digital enterprises," said John Barone, VP, Global Strategic Alliances at Pegasystems. "We look forward working together to meet the needs of our clients with Better Business Software and services that enable them to transform their businesses and embrace the power to better engage with customers, simplify operations, and adapt to change."

Mindtree's EAI / BPM center of excellence conceptualizes and incubates key solutions that provide clients with better performance and high quality processes at reduced costs. Through a consulting-led approach, technology expertise and proven methodology, Mindtree delivers large-scale EAI/BPM transformation.

Mindtree will be showcasing these solutions at PegaWorld 2014, June 8-10, 2014 in Washington, D.C. To schedule a meeting with Mindtree, please contact us at info@mindtree.com.
