Recommendation of the Takeover Panel

6. Since one of the conditions of the Master Circular *i.e.* the transferors being disclosed as promoters in the shareholding pattern filed with the Stock Exchanges for a period of at least 3 years prior to the transfer was not fulfilled, the Application along with the further submissions was forwarded to the Takeover Panel in terms of the proviso to sub-regulation (5) of regulation 11 of the SAST Regulations, 2011. The Application was deliberated by the Takeover Panel in its meeting held on March 23, 2026. After deliberations, the Takeover Panel made the following observations –

“The Panel was informed by SEBI Officials that the Target Company, incorporated on April 06, 1992, is also a debt listed company. The promoters of the Target Company have been disclosed as promoters in the information memoranda pertaining to debt issuances on the platform of stock exchange since 2016 and also in Annual Reports filed with stock exchange as a debt listed company for more than 3 years. Hence, though the equity of the Target

Company is listed only since December 26, 2023, the requirement of 3(xii) of Chapter 8 of the SEBI Master Circular SEBI/HO/CFD/PoD-1/P/CIR/2023/31 dated February 16, 2023, “The transferors are disclosed as promoters in the shareholding pattern filed with the Stock Exchanges for a period of at least 3 years prior to transfer (except for holding on account of inheritance)” is fulfilled in substance.

Further, the Panel wanted to know whether the Acquirer Trust is registered under the Bombay Public Trusts Act, 1950. If yes, a resolution may be obtained to the effect that the Acquirer Trust shall comply with section 22 of the Bombay Public Trusts Act, 1950, which requires the trustee to report certain changes or proposed changes to the Deputy or Assistant Charity Commissioner in charge of the Public Trusts Registration Office in the prescribed form.

It was subsequently clarified by SEBI officials that the Acquirer Trust is registered under the Indian Trust Act, 1882 as disclosed in the trust deeds and its application. Hence, the requirement to obtain a resolution from the Acquirer Trust is not applicable in the instant case.

In view of the above, the panel deliberated the matter and recommended for granting exemption in the instant matter.”

Consideration

7. Before I proceed further, I deem it fit to draw reference to provisions of sub-regulation (1) of regulation 3, regulation 4 and regulation 5 of the SAST Regulations, 2011, which provide as under:

“Substantial acquisition of shares or voting rights.

3(1). *No acquirer shall acquire shares or voting rights in a target company which taken together with shares or voting rights, if any, held by him and by persons acting in concert with him in such target company, entitle them to exercise twenty-five per cent or more of the voting rights in such target company unless the acquirer makes a public announcement of an open offer for acquiring shares of such target company in accordance with these regulations.*

Acquisition of control.

4. Irrespective of acquisition or holding of shares or voting rights in a target company, no acquirer shall acquire, directly or indirectly, control over such target company unless the acquirer makes a public announcement of an open offer for acquiring shares of such target company in accordance with these regulations.

Indirect acquisition of shares or control.

5(1). For the purposes of regulation 3 and regulation 4, acquisition of shares or voting rights in, or control over, any company or other entity, that would enable any person and persons acting in concert with him to exercise or direct the exercise of such percentage of voting rights in, or control over, a target company, the acquisition of which would otherwise attract the obligation to make a public announcement of an open offer for acquiring shares under these regulations, shall be considered as an indirect acquisition of shares or voting rights in, or control over the target company.”

8. Having considered the Application submitted by the Proposed Acquirers, the recommendation of the Takeover Panel and without reiterating the facts as stated above, I note the following:
- (a) The Application submitted is in respect of the proposed indirect acquisition of shares and voting rights in the Target Company, *i.e.*, **Muthoot Microfin Limited**. The proposed acquisition as detailed above, will lead to indirect acquisition of control of the Target Company and will attract the provisions of sub-regulation (1) of regulation 3, regulation 4 and regulation 5 of the SAST Regulations, 2011.
 - (b) The proposed acquisition is in furtherance of an internal reorganization within the Promoter Family and is intended to streamline succession and promote welfare of Promoter Family. The proposed indirect acquisition would be a non-commercial transaction which would not affect or prejudice the interests of the public shareholders of the Target Company in any manner.
 - (c) The trustees and the beneficiaries of the Acquirer Trust are either individual promoters, or their immediate family relatives or lineal descendants.

- (d) There will be no change in control of the Target Company pursuant to the proposed acquisition, as stipulated under Chapter 8 of the Master Circular.
 - (e) The pre-acquisition and post-acquisition shareholding of the promoters and promoter group in the Target Company will remain the same.
 - (f) There will be no change in the public shareholding of the Target Company.
 - (g) The Target Company shall continue to be in compliance with the Minimum Public Shareholding requirements under the Securities Contracts (Regulation) Rules, 1957 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
 - (h) The Acquirer Trusts have confirmed that they are in compliance with the conditions outlined in Chapter 8 of the Master Circular, as mentioned at sub-para (e) of para 5 above except the condition of transferors being disclosed as promoters in the shareholding pattern filed with Stock Exchanges for a period of at least 3 years prior to the transfer, as discussed below.
9. In the matter, since one of the conditions of the Master Circular was not fulfilled, the matter was deliberated by the Takeover Panel. I note that the promoters of the Target Company have been disclosed as promoters in the information memoranda pertaining to debt issuances on the platform of stock exchange since 2016 and also in Annual Reports filed with stock exchange as a debt listed company for more than 3 years. Hence, though the equity of the Target Company was listed only since December 26, 2023, I find that the corresponding condition of the Master Circular with regard to the transferors being disclosed as promoters in the shareholding pattern filed with the Stock Exchanges for a period of at least 3 years prior to transfer (except for holding on account of inheritance) is fulfilled in substance.
10. Considering the aforementioned, I am of the view that exemption as sought for in the Application and as recommended by the Takeover Panel may be granted to the Acquirer Trusts, subject to certain conditions as ordered herein below.
