Kochi, March 18, 2025: Muthoot Microfin, a leading microfinance institution committed to women’s empowerment, successfully conducted an online workshop on March 7th and 10th, 2025, focusing on cervical cancer awareness and menstrual health. The initiative reached over 850 attendees across Kerala, Tamil Nadu, Andhra Pradesh, Telangana, Maharashtra, Karnataka, Odisha, West Bengal, Bihar, Chhattisgarh, Delhi, Gujarat, Haryana, Himachal Pradesh, Jharkhand, Madhya Pradesh, Punjab, Rajasthan, and Uttar Pradesh and Puducherry.

The sessions, conducted in regional languages, were led by eminent doctors from government institutions who focused on cervical cancer prevention, early detection, HPV vaccination, and the benefits of menstrual cup usage, ending with interactive Q&A sessions.

Furthering its commitment to employee well-being, Muthoot Microfin, facilitated by Reliance General Insurance, is providing all female employees with a medical voucher for free check-ups covering 70 key health parameters at listed labs and hospitals. To make healthcare access even more convenient, sample collection for these tests will be arranged directly from employees’ homes, ensuring ease and comfort.

Speaking about the initiative, **Mr. Sadaf Sayeed, CEO of Muthoot Microfin**, said, *“At Muthoot Microfin, we believe that empowering women goes beyond financial independence; it begins with good health and awareness. As part of our Women’s Day initiatives, we reinforced our commitment to fostering inclusion and supporting women’s well-being through impactful healthcare awareness sessions. A healthy woman uplifts not just her family but the entire community, and we are proud to contribute to this positive change.”*
