Maruti Suzuki resumes production after maintenance closure

New Delhi, June 13th, 2016: Maruti Suzuki India Limited (MSIL) resumed production on Monday morning after the maintenance closure.

The maintenance closure had been advanced by three weeks to June 6-11, following a fire at the Manesar facilities of its supplier, Subros Limited, on May 29.

Due to the strenuous efforts made by all concerned, operations at MSIL's facilities in Gurgaon and Manesar have begun smoothly.
