New Delhi, May 28, 2015; Jagran Prakashan Limited (JPL) (BSE SCRIP ID: 532705; NSE SYMBOL: JAGRAN), publishers of '**Dainik Jagran**', India's largest read newspaper, has reported consolidated operating revenues of Rs 422.74 crores, Operating Profit of Rs 104.79 crores, Profit Before Tax (PBT) of Rs 155.96 crores and Net Profit (PAT) of Rs 129.79 crores for Q4FY15. Commenting on the performance of the company for the year ended 31st March 2015,

Mr. Mahendra Mohan Gupta, Chairman and Managing Director, JPL said,

"Growth in advertisement revenue was under challenge but our ability to adjust swiftly to the environment and no increase in average newsprint cost resulted in impressive growth in profit. The team deserves compliment for improving efficiency and keeping cost under check without compromising the quality and market position.

During the year, the operations were stable inspite of increased competitive intensity in some areas of our operations. We have increased our focus on digital and have worked towards strengthening our systems further to ensure highest degree of compliances and bringing more efficiency in the operations. As a result, Digital has performed incredibly.

I am pleased to inform that MIB has approved today the acquisition of Radio City. From the current quarter, the Company will start benefitting from the exponential growth potential of Radio City. Radio City has reported 30% growth in revenues and 52% growth in EBITDA during the year ended March 31, 2015, which is way above the industry growth rates"
