Dear Sir/Madam,

This is with respect to the query raised by the exchange on the announcement submitted to the Exchange dated January 16, 2020, regarding closure of the Company's manufacturing unit situated at Plot D- 2/3, MIDC, Tarapur, District Palghar on account of certain alleged irregularities by the Company in complying with MPCB's terms and conditions.

We clarify as under:

Brief details of alleged irregularities:

The alleged irregularities, *inter alia*, pertain to fuel pattern and its consumption, adequacy of pollution control system, installation and other observations of the boiler/s and adequacy of Effluent Treatment Plant as per the existing terms and conditions.

Expected financial implications, if any, due to compensation, penalty, closure etc.:

No compensation or penalty is expected at this stage. Financial implication, in case of closure, during the period of closure will be in relation to the margin on the revenue lost by the unit which is not ascertainable at this stage. However, kindly note that the concerned unit generated total revenue of INR 512 Crores during the financial year 2018-19.

Quantum of claims, if any:

NIL

We shall be pleased to furnish any further information / clarification you need in the above regards.

For Camlin Fine Sciences Limited

Ms. Lavanya Rastogi
Asst. Company Secretary
& Compliance Officer
