Wipro Partners with Verveba for Advanced Mobile Radio Network Optimization Solutions

Bangalore, India and East Brunswick, New Jersey, USA – February 22, 2016: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company today announced a partnership with Verveba Telecom, LLC, a premiere telecom network engineering company specializing in network planning, design, deployment and mobile radio network optimization services for telecom service providers.

The partnership brings together Wipro's expertise in telecom sector and Verveba's award winning Mobile Radio Network Optimization technology with services, intellectual property and solutions of both organizations. Together, the companies will offer solutions to address industry challenges in generating measurable economic value from fast growing, mobile network technology deployments & optimization especially in 4G and single RAN technologies. It will also provide the opportunity to combine the skills and talents of two great network services organizations. Verveba and Wipro will work together on business development activities and expanding solutions to the Telecom Service Providers globally.

"Verveba's solution augments our Telecom Network Services portfolio for the communications industry by delivering better business outcomes through cost reduction, improvement in turnaround time & process simplification, across the multi technology Radio Network Optimization field. This aligns well with Wipro's goal of offering comprehensive, cutting edge customer experience solutions to our clients," said **Anil K Jain, Sr. Vice President & Global Business Head – Communications Business Unit, Wipro Ltd.**

"We are pleased and excited about this partnership with Wipro. This partnership increases the reach of Verveba's services and solutions. Wipro's reach in global markets complements Verveba's capabilities to deliver incremental business value to the Communication Service Providers," said **Manik Arora, CEO, and Verveba Telecom.**

About Verveba Telecom, LLC

Verveba is a Telecom network and IT Engineering Company which is simplifying delivery of complex wireless networks and continuously improving the customer experience since 2004.
