Tata Consultancy Services Awarded '2016 Digital Innovator of the Year' by GE Digital

NEW YORK | MUMBAI, November 16, 2016: Tata Consultancy Services (TCS), (BSE: 532540, NSE: TCS) a leading global IT services, consulting and business solutions organization, has been named as the '2016 Digital Innovator of the Year' in the Ecosystem Excellence award category at GE's Minds + Machines event in San Francisco, California.

The award recognizes TCS' innovation and excellence in developing the TCS Digital Store™, an expanding suite of ready-to-use digital solutions that deliver superior customer experience, real time data analytics and organizational agility across multiple industry segments. The TCS Digital Store™ contains more than 150 solutions, including TCS Plant Operations for real time analytics in a manufacturing plant, Environmental Health and Safety Analytics for industrial facilities, Plant Equipment Prognostic Maintenance, and Engine Telematics for tracking and logistics. More than 50 of these solutions are built on Predix.

As part of the GE Digital Alliance Program, TCS is rapidly expanding its Predix capabilities, having more than 800 Predix trained consultants. TCS continues to build innovative Industrial IoT applications on GE's Predix platform with an emphasis on transforming the value chain across multiple industries.

"I congratulate TCS on such a well-deserved recognition as being an innovative and strategic partner to GE on the Industrial Internet of Things (IIOT). TCS Digital Store is providing a rich customer experience to deliver solutions to GE and its customers," said Denzil Samuels, Global Head of Channels & Alliances, GE Digital.

"This award from GE is a reflection of TCS' focus on driving digital transformation for its customers, leveraging our domain and digital capabilities to enrich GE's unique Industrial IoT platform," said Anupam Singhal, Vice President, Tata Consultancy Services.
