TCS Recognized as a Leader with Best in Class Delivery Capability in Testing Services for Third Consecutive Year by Everest Group

NEW YORK | MUMBAI, July 19, 2016: Tata Consultancy Services (TCS), (BSE: 532540, NSE: TCS) a leading global IT services, consulting and business solutions organization, has been recognized as a Leader for the third consecutive year in the Everest Group report, "*Independent Testing Services - Market Trends and PEAK Matrix™*," June 2016.

TCS was recognized for its investments in next generation solutions across Automation and DevOps, and strong capabilities across the testing lifecycle, with product based and industry-specific solutions. TCS received market-leading scores in independent testing services delivery capability as a result of its scale, scope of services, domain expertise and innovation, delivery footprint, and buyer satisfaction.

Everest Group evaluated 22 service providers in the independent testing services sector and mapped them on their Performance, Experience, Ability, and Knowledge (PEAK) Matrix™, a composite index of several distinct metrics related to a provider's capabilities and industry track record. Everest Group also profiled the capabilities of these leading service providers through a comprehensive assessment of their service suite, scale of operations, and domain investments.

"The advent of the Digital age makes the testing services market a highly competitive and critical one. Enterprises IT is increasingly focusing on the quality assurance function as a strategic enabler of broader transformation," said Chirajeet Sengupta, Vice President at Everest Group. "TCS' breadth and depth of services, its focus on customer satisfaction, and its investments in innovative solutions stand it in good stead in this exciting market."

"TCS' exceptional delivery capability across the testing lifecycle is enabling customers to meet and exceed quality and risk management challenges, while reducing time and cost," said Jayashree Natarajan, Global Head of Assurance Services. "Recognition from Everest Group as a Leader in Independent Testing Services PEAK Matrix for the third consecutive year is a testament to our ability to provide value and certainty to clients."

About TCS Assurance Services

TCS offers a comprehensive suite of testing portfolios that address quality and risk management challenges for global customers. TCS empowers businesses across industries to ensure first-time-right results, reduce cost while providing quality, and provide a superior customer experience. TCS Assurance Services has more than 30,000 testing consultants, strategic alliances and partnerships with key product vendors, more than 65 dedicated test centers of excellence, and our innovation labs power our tailor-made solutions, testing assets and accelerators. By continually redefining testing and QA paradigms and proven engagement model founded on the twin pillars of product and process quality, TCS Assurance Services delivers certainty to customers.
