Shreyas
Shipping and Logistics LTD

PRESS RELEASE

With an addition of Ninth vessel to its fleet, Shreyas embarks on providing *weekly* seamless connectivity between East and West coast of India

Mumbai: Shreyas Shipping and Logistics Limited, (Shreyas) a leading Mumbai based shipping and logistics provider, part of global conglomerate Transworld Group (www.transworld.com), added Ninth container vessel M. V. SSL VISAKHAPATNAM to its fleet recently. This vessel is a 1613 teus vessel with a Gross Registered Tonnage (GRT) of 18602.

"This new addition to our fleet has been named as M. V. SSL Visakhapatnam as we dedicate this vessel to the port city of Visakhapatnam. We are associated with Port of Visakhapatnam over a period now and are committed to the trade at large" said Capt. V. K. Singh, CEO Shreyas Shipping & Logistics Limited.

As on date, Shreyas owns a fleet of 9 vessels with a total teus capacity of over 13500 teus. The combined dead weight of all its vessels sum up to 192771 and a GRT of 154859.

Shreyas who are 'Pioneers and Leaders in Coastal Shipping' strengthen their position by deploying this vessel on the PIX II service to provide a weekly rotation. Thus PIX II service now has 4 vessels plying on rotation from Mundra – Tuticorin –Katupalli- Vizag- Chennai – Tuticorin-Cochin – Jebel Ali – Mundra. Capt. V. K. Singh, CEO commented "This service initially began as a fortnightly service with only two vessels namely M. V. SSL Gujarat and M. V. SSL Mumbai. The feeder vessel SSL Sagarmala was used to connect Kolkata and Haldia over Vizag. However with the addition of M. V. SSL Visakhapatnam, we will be able to provide a weekly service facilitating movement of exim and domestic cargo to all the main container ports and terminals in India as well as the Middle East. We have also deployed two feeder vessels to connect Visakhapatnam terminal with other North Eastern ports like Kolkata, Haldia, Kakinada and Paradip where the transhipment of containers are carried out." Both domestic as well as Exim customers will be benefitted by the weekly fixed day connectivity now.
